

The future's bright, the future's cloudy...

Why you should exploit cloud technology in your business

Do you like your red analysis books, or love Excel?

So do we, but new technology is making managing your business finances easier than ever...

IS IT TIME FOR YOU TO JOIN THE CLOUD REVOLUTION?

FIVE REASONS WHY YOU SHOULD MANAGE YOUR BOOKKEEPING IN THE CLOUD

1. SAFER

Information in the "Cloud" can not be burned, lost, or dropped in a puddle

2. EASIER

Automation of the basic processes means less effort from you, reducing the administrative burden

3. MORE CONVENIENT

Reconcile your accounts from wherever you can connect to the internet, and whenever suits you best

4. MORE SECURE

Password protection and controlled access only by those who need it

5. MORE VALUABLE MANAGEMENT INFORMATION

Better understanding of your finances, in real time, might help improve cash flows and profitability
