Approved mileage rates

HMRC approved 'tax-free' business mileage rates for employees using their own cars and vans:

45p per mile for the first 10,000 miles and 25p for additional mileage above that limit. These rates apply irrespective of engine size.

Employers can also pay up to 5p per mile for each employee who travels as a passenger on a business journey.

HMRC approved 'tax-free' business mileage rates for employees using company cars:

From 1 March 2013	Petrol	LPG	Diesel
1400cc or less	15p	10p	1600cc or less 13p

These rates are the maximum amount that can be paid without a charge to tax and NIC for business miles. If an employee receives less than these rates then they can claim tax relief on the difference.

The rates are reviewed four times a year. Any changes will take effect at the beginning of each calendar quarter - on

1 March, 1 June, 1 September and 1 December. Future changes will be published on the HMRC website.
